Whatever your purpose, we will prepare you! We are calling all worshipers who are hungry, thirsty, willing and ready to serve Jesus Christ and His Church!

Destiny & Dominion Worship Training Centre offers college level courses to thoroughly equip and train musicians, singers, and artists who will serve in competence, excellence and humility, as well as those who desire to deepen and enrich their life of worship.

Our Worship Ministry programs are designed to provide a well rounded Bible and musical education and inspire greater reliance on Holy Spirit's power and leading.

We warmly invite you to join our student body and immerse yourself in the Word and in God's presence through worship, as you learn the many facets of worshiping our Lord in spirit and in truth.

Word From the President

As Paul wrote to Timothy in II Timothy 1:6 to stir up the gift that is in you, he was acknowledging that Timothy had something on the inside of him. At Destiny & Dominion Worship Training Centre, we believe that God has called us to help stir up the gift that is inside of you as a believer in the Lord Jesus Christ.

Through a college education, specifically a Worship Training education, you will receive a disciplined approach to learning that will require you to focus more directly on the Word of God and rely more on the leading of Holy Spirit.

Jesus told us that the Word (also known as seed, Luke 8:11) will produce fruit in our lives. The Lord wants each of us to do the works that He has prepared for us (Eph 2:10). He is seeking those who will worship Him truthfully and accurately, from their spirit, and led by the Holy Spirit (John 4:23-24).

In the college setting, you will study, research, make music and worship to gain a deeper understanding of the various sections of Scriptures and Christian doctrines that will challenge you to do more study on your own. There are opportunities to have greater interaction and worship together.

Each student receives input from, not just instructors, but fellow students as well, which enriches the learning experience. There is something about this exchange that takes place in the college setting, whereas in church services, you cannot.

For those who enroll in our programs, the opportunity to be disciplined to complete your program requirements will add to the blessing that comes from hungering and thirsting after righteousness because you will be filled!

In His Name,
Pastor Marcus Martinez
President
